### **Site Visit**

The ANCC Magnet Recognition Program® is the highest credential a healthcare organization can achieve. A Magnet designation indicates to patients and the public that these organizations have met the most stringent, evidence-based standards of nursing excellence in patient care delivery.

Montefiore St. Luke's Cornwall was designated as a Magnet organization in 2020 by the ANCC Magnet Recognition Program® and they are now applying for redesignation.

We invite patients, family members, staff, and other interested parties to provide feedback via email or direct mail.
